First public message from the queen to President Buchanan, sent through Atlantic cable, 1888.

Glanders in a malignant form, has broken out among the horses of the Lincoln Ice Company, Chicago. Since Wednesday night seventeen afflicted animals have been killed.

Congressman James Laird, of the Second Nebraska District, is dangerously ill at his home in Hastings. Mr. B. F. Smith, who arrived at Lincoln Friday, reports that Mr. Laird's death is expected hourly.

The organs of the democracy are unable to refrain from finding fault with the president even when he is off on his vacation. But then fault-finding has long since become chronic with the democracy.

The poet, Robert Buchanan, was very much struck with the acting of Richard Mansfield in Richard III., and is now writing, it is said, two plays for that actor. Of course Mr. Mansfield will not play them both at one time.

Going across the Atlantic is now almost like flying. The City of Paris made the trip from New York to Queenstown in five days, twenty-three hours and forty minutes. This is the first time that the eastern passage has been made inside of six days. And still they are building faster steamers.

The republican league is preparing for systematic work in the southern states. That is not a promising field for political effort, but it has been neglected and abandoned too long by republicans, and should be occupied once more. The league is the organization that has the best chance of accomplishing useful results in that quarter. It can be found at many republican clubs and systematically undertake the political education of the south, especially on industrial questions, it will do a great work for the country as well as the party.

The venerable General Francis E. Spinner, ex-treasurer of the United States, is said to be hopelessly ill at his home at Pueblo Beach, Florida, so that his death is likely to occur within a few weeks. The trouble is a cancer on his face, caused by wearing an ill-fitting pair of eye glasses. "My physician," he writes to a friend, "has given me strict orders that I must neither read nor write a single word. I will probably soon make my bow to the denizens of this world and depart. I am suffering great pain." General Spinner is nearly eighty-eight years old, having been born at Horkimer, New York, on January 21, 1802.

The navy department has ordered that the work of getting the sloop-of-war Galena ready for service in Haitian waters be pushed forward as rapidly as possible. It is said that Rear-Admiral Gherardi, who is now at Port-au-Prince with the veteran Kearsarge, in anticipation of General Hippolyte's overthrow of President Legitime, apprehends that Port-au-Prince will become a scene of terrible slaughter and riot, and that in order to protect the lives and property of Americans there a larger force than he has available on the Kearsarge will need to be landed. International law would only sanction the landing of men to protect the United States legation and consulate, but greater exigencies may arise, and it is desired to be ready to meet them.

A most satisfactory feature of Secretary Tracy's administration of the navy department is the employment of the best talent in the service in the conduct of various investigations. Leaving the bureau to carry on their routine duties he has organized a large number of boards for reporting on important matters connected with the development, reorganization and improvement of the navy. Many of these boards have advisory functions, it being their responsible duty to outline the future policy of the department. The secretary acts upon the theory that the line and staff have been educated, and are employed at heavy expense to the country, and that it is the privilege of the department to regard them as accomplished experts, whose opinions and advice on all technical questions relating to the service should be decisive. He is making the largest possible use of their experience, education and interest in the welfare of the service.

William Ewart Gladstone has been prominently before the public for a year considerably exceeding fifty years. Most matters concerning his career have been dug out of the depths of secrecy. The London Daily Telegraph, in an article on the golden wedding, contrived to make a little revelation. Some three years after his marriage, it seems, and while at Hawarden, Mr. Gladstone went out shooting with his brother-in-law, the Rev. Stephen Glynn. He had fired off one barrel of his gun in a stubble field, and unconsciously cocked the end of the gun he proceeded to reload, when a stiff, unobtrusive hand touched the trigger. The gun went off, happily doing no more harm than carrying away the index finger of the then rising statesman. It was a narrow escape. It is vain to talk of what might have been, but the loss of Mr. Gladstone at that date suggests a different history of England during the last forty years.

FATHER DAMIAN, SAYS THE NEW YORK TRIBUNE, WHO BECAME A LEPER THAT HE MIGHT MINISTER TO THAT AFFLICTED CLASS, AND FINALLY DIED A LEPER'S DEATH, HAS RECEIVED HONORS ACCORDED TO FEW MEN. THAT HIS SELF-SACRIFICE IS NOT AN ISOLATED CASE IS SHOWN BY THE REPORT JUST RECEIVED FROM CHINA REGARDING THE EXTRAORDINARY CAREER OF AN AMERICAN MISSIONARY. THE NATIVES CALLED HIM THE "CHRISTIAN BODDHA," BUT HIS LIFE WORK CLOSELY REMEMBERS THAT OF THE GALILEEN PEASANT WHO "WENT ABOUT DOING GOOD." MR. CROSSETT ADAPTED HIMSELF TO THE NEEDS OF THE UNFORTUNATE CLASSES AMONG THE CHINESE, WEARING THEIR DRESS, PARTAKING OF THEIR FOOD, AND VISITING THEM WHEN SICK AND IN PRISON. THOUSANDS OF THESE WHO WERE COMFORTED AND RELIEVED BY HIM IN ALL PARTS OF THE EMPIRE WILL MOURN HIS DEATH. THE WORK OF SUCH MISSIONARIES AS FATHER DAMIAN AND MR. CROSSETT, ONE A ROMAN CATHOLIC PRIEST AND THE OTHER INDEPENDENT OF ALL RELIGIOUS ORGANIZATIONS, IS A FAR GREATER WITNESS TO THE LIVING POWER OF THE GOSPEL TO WHICH THEY DIRECTED THAN MANY VOLUMES OF LEARNED TREATISES ON FINE POINTS OF DOCTRINE. THE MORE MEN DO FOR THE ADVANCEMENT OF GOSPEL PRECEPTS, THE LESS WILL THEY NEED TO DEFEND THEM OR THAT RELIGIOUS TENET.

ARREST OF JUSTICE FIELD.

THE WARRANT SWORN OUT BY SARAH ALTHEA SERVED.

On Habeas Corpus Proceedings the Judge Is Released on \$5,000 Bonds—The Criminal Record.

SAN FRANCISCO, Cal., Aug. 17.—Justice Stephen J. Field of the United States Supreme court was arrested here Friday on a charge of being a party to the killing of David S. Terry at Lathrop last Wednesday morning. The application for a writ of habeas corpus was at once made, and the matter was heard by Judge Sawyer of the United States circuit court, who granted the writ and released Justice Field on \$5,000 bail. The warrant for Justice Field's arrest was issued by a justice of the peace in Stockton, on the complaint of Mrs. Sarah Althea Terry. She arrived here with the warrant Thursday night and he applied to Judge Rix of the police court to endorse it. Judge Rix took the matter under advisement and consulted with District Attorney Page, who expressed the opinion that the warrant should be endorsed, as it was issued in the regular form and the judge should not consider the inadvisability of the person against whom it was directed. Counsel who appeared for Justice Field urged the judge to take testimony to ascertain if the warrant had been issued. He declared that the issuance of the warrant was nothing more than an attempt to humiliate a justice of the Supreme court. Judge Rix finally endorsed the warrant and placed it in the hands of Sheriff Cunningham, who went to the United States appraiser's building, where Field's chambers are located.

Justice Field arrived at his chambers about noon, and with Judge Brewer of Kansas and Judge Sawyer awaited the arrival of the sheriff. Sheriff Cunningham arrived first to the marshal's office, and then, accompanied by Chief of Police Crowley, Capt. Lee, and United States Marshal Franks, proceeded to Justice Field's chamber. Justice Field arose to receive the party and Sheriff Cunningham presented the warrant and formally made the arrest. An application was made at once for a writ of habeas corpus. Judge Sawyer granted the writ and retired to the circuit court room. District Attorney Curry announced that Sheriff Cunningham had obeyed the writ of habeas corpus and produced the prisoner, and that he now awaited the further pleasure of the court. Judge Sawyer set the case for a hearing on next Thursday morning and ordered Justice Field's release, fixing the bail at \$5,000.

INTERESTED PEOPLE.

Advertising a patent medicine in the peculiar way in which the proprietors of Kemp's Balsam for Coughs and Colds does is indeed wonderful. He authorizes all druggists to give those who call for it a sample bottle free, that they may try it before purchasing. The large bottles are \$1.00, and \$1.50. We certainly would advise a trial. It may save you from consumption.

SHE GETS MILLIONS.

An Immense Fortune Left by Mrs. Sarah Willbourn to Sarah Harvey of Newport, N. H., Aug. 17.—The contents of the will of the late Mrs. Sarah Willbourn were a great surprise to all the good people of Orange, who expected that she would leave her entire fortune to the Catholic church of that place. On the contrary, she leaves it all to her grand niece, Sarah Harvey of Newport, whom she has never seen and until a few weeks ago, had never heard of.

Small Women Be Allowed to Vote.

The question of female suffrage has agitated the tongues and pens of reformers for many years, and good arguments have been advanced for and against it. Many of the softer sex could vote intelligently, and many would vote as their husbands did, and give no thought to the merits of a political issue. They would all vote for Dr. Pierce's Favorite Prescription, for they know it is a boon to their sex. It is unequalled for the cure of leucorrhoea, abnormal discharges, morning sickness, and the countless ills to which women are subject. It is the only remedy for women's peculiar weaknesses and ailments, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. See guarantee on wrapper around bottle.

HARVEST EXCURSIONS.

The Chicago, Milwaukee & St. Paul railway company have made arrangements for several harvest excursions through the far west. The fare on these excursions will be one fare for the round trip. Tickets will be sold on August 6th and 20th, September 10th and 24th and October 8th, good for thirty days from date of sale, stop over privileges to be granted at any point west of the Mississippi river. These excursions will reach points in western Minnesota, Dakota, Iowa, Montana, Nebraska, Colorado, Arkansas, Texas, Indian Territory, New Mexico, Arizona and Idaho. This affords our people an excellent opportunity to visit these states and territories at a small expense.

National Encampment of the G. A. R. at Milwaukee.

The Chicago, Milwaukee & St. Paul Railway will sell excursion tickets to Milwaukee for the above, at one fare for the round trip. Sale will commence August 21st and close August 31st, good to return between August 27th and September 5th, inclusive.

Special trains will be run daily during the week August 29th to 30th inclusive, leaving Janesville at 6:30 a. m., arrive at Milwaukee at 9:25 a. m. Returning leave Milwaukee at 10:45 p. m., and arrive at Janesville about 1:30 a. m.

Judge Sawyer set the case for a hearing on next Thursday morning and ordered Justice Field's release, fixing the bail at \$5,000.

THE PETITION FOR THE WRIT OF HABEAS CORPUS WAS MADE BY JUSTICE FIELD HIMSELF, AND IS A VERY LONG DOCUMENT. IT SETS FORTH IN DETAIL THE FACTS OF THE CASE ALREADY KNOWN, AND DECLARES THAT AT THE BREAKFAST TABLE AT LATHROP, JUSTICE FIELD WAS MALICIOUSLY AND WICKEDLY ASSAULTED FROM BEHIND WITHOUT ANY FORFEITING BY DAVID S. TERRY, WHICH ASSAULT WAS NOT PROVOKED BY ANY ACT, WORD, OR DEED OF THE PETITIONER. THE DETAILS OF THE CONTENT PROCEEDINGS OF SEPTEMBER LAST, WHEN MRS. TERRY CAUSED THE SENSATIONAL SCENE IN THE CIRCUIT COURT ROOM, ARE THEN SET FORTH. THE PETITION NEXT SETS FORTH THAT AT THE TIME OF THE SHOOTING JUSTICE FIELD WAS ACCOMPANIED BY DAVID NAGLE, DEPUTY UNITED STATES MARSHAL, WHO WAS UNDER INSTRUCTIONS FROM THE ATTORNEY GENERAL OF THE UNITED STATES AND MARSHAL FRANKS. THE PETITIONER DECLARES THAT HE IN NO WAY OR MANNER DEFENDED OR ASSISTED HIMSELF, AND WAS IN NO WAY RESPONSIBLE FOR ANY DIRECTIONS GIVEN NAGLE OR ANY OTHER PERSON, AND THAT HE WAS MERELY PRESENT AT THE PLACE OF SHOOTING WHILE ON ROUTE FROM LOS ANGELES TO SAN FRANCISCO WHILE IN DISCHARGE OF HIS OFFICIAL DUTIES. HE FURTHER DECLARES THAT HE WAS NOT THEN NOR HAS BEEN AT THE PLACE OF SHOOTING ARMED WITH ANY WEAPON WHATSOEVER, NOR HAS HE USED ANY WEAPON WHATSOEVER.

Action will be taken seeking for an order from the United States court upon Sheriff Cunningham to at once deliver Deputy United States Marshal Nagle into the custody of the United States Marshal. Upon which, if obeyed, the deputy will be brought to this city.

DECLINED TO HONOR TERRY.

Application was made by Attorney Crittenden to the Supreme court of justice to adjourn as a mark of respect to the memory of Judge Terry, expected justice. Chief Justice Beatty declined to entertain the motion in the following language, after remarking that he was sorry that the motion had been made: "It is a very unpleasant affair, but the court has fully considered the same and deems it the wisest mode of treating the subject in silence. The sudden death of David S. Terry is a notorious and it is the decision of this court that it takes no further action in the matter."

BURIAL OF NAGLE'S VICTIM.

Burial of Judge Terry was held at Stockton to-day. The body was removed from the morgue and taken to the Episcopal church, where it lay in state for two hours and was viewed by a great number of people. Mrs. Terry occupied a pew near the altar and watched the face of the dead all the while. Several times she left the seat and threw herself upon the casket. The service was read by one of the members of the church. The body was buried in a cemetery in the town.

MAY LYNCH NAGLE.

STOCKTON, Cal., Aug. 17.—In the present excited feeling over Judge Terry's death some fear is felt of an attack on the jail where Deputy Marshal Nagle is confined, especially as it is an old structure which could be broken into quite easily. It is reported that one of Terry's friends, Judge Porter of Indiana, intends to deliver a funeral oration, denouncing Judge Field and referring to Terry's death as a foul murder. Should he do so it will likely stir up much ill-feeling and perhaps lead to violence. The sheriff is, however, taking every precaution and will defend the prisoner at all hazards. The situation is regarded as very critical.

HIS HEAVY SENTENCE.

E. S. Allen Gets Fourteen Years' Imprisonment at Hard Labor.

NEW YORK, Aug. 17.—Eben S. Allen, the defaulting ex-president of the Albany Second Street & Grand Street Ferry railway company, who pleaded guilty to two indictments charging him with the over-issue of about \$100,000 worth of stock, was sentenced on each indictment to-day to seven years' imprisonment at hard labor. This is the maximum penalty for the offense.

ALLEN LOOKED PALE AND DOWN-HEARTED.

The room was crowded when Judge Gilder, after a long delay, called upon Allen. Allen was asked why sentence should not be pronounced upon him the convicted man turned and looked at his counsel but did not utter a syllable. Mr. Busch, after some deliberation said that there was nothing to add to what had already been presented to the previous good character of the prisoner.

JUDGE GILDERSTERN THEN ADDRESSED ALLEN,

saying: "Mr. Allen, you have pleaded guilty to two indictments. After a very careful examination of the whole matter, taking into consideration that punishment could be inflicted on you for the charges which are not pressed, I see no reason why I should not impose the maximum penalty. The sentence of the court is that you be confined in the State prison at hard labor for seven years on this indictment which I hold in my hand, and under the other indictment that you be also confined at hard labor for the period of seven years, to begin at the expiration of the first term."

FUNDS FOR THE FLOOD SUFFERERS.

ARREST OF A PITTSBURGH MAN FOR RETAINING FOR SOME TIME A CONSIDERABLE SUM.

CHICAGO, Aug. 17.—R. R. Ford was arrested here last night by Detectives McDonald and Boudier, and he will be taken to Pittsburg as soon as the papers are ready. Chief of Police Roger O'Mara of that city sent a dispatch here stating that Ford was wanted in Pittsburg to answer an indictment for conspiracy. It is asserted that he carried on a wholesale business of fraud by collecting money for the Conemaugh valley sufferers. He "worked" Pittsburg, it is said, and surrounding country for a considerable sum. When it became apparent that unless he turned in the money collected the people would discover him, it is alleged he fled to Chicago. Ford was brought before Justice Prindle this morning and held to await the arrival of the Pittsburg officials.

BLOODY CRIME IN TENNESSEE.

A Man Kills His Wife, Wounds His Mother-in-Law, and Commits Suicide.

JACKSON, Tenn., Aug. 17.—A terrible tragedy was enacted this morning ten miles north of the place of Homer Brewitt, an ex-cowboy from Texas, shot his young wife through the neck, inflicting a fatal wound, wounded his mother-in-law, and then shot himself through the head, dying instantly.

A warrant was out for Brewitt's arrest for moonshining and he was endeavoring to induce his wife to accompany him to Wausau county, which she refused to do owing to ill health. Brewitt was a desperate character and had boasted to his wife that he had been married four times, had killed one wife and three or four more. The couple had been married but four months.

SAN FRANCISCO PUGILISTS CONVICTED.

SAN FRANCISCO, Cal., Aug. 17.—Pat Killen, the Northwestern pugilist, who recently arrived with a combination from the East, his manager, W. E. Gooding, Dr. J. A. Amerson, and Ed Roman, manager of a local variety theater, have been convicted of violation of the ordinance prohibiting sparring exhibitions where liquor is sold.

DROWNED HERSELF IN A WASHBUB.

PHILADELPHIA, Pa., Aug. 17.—Catherine Melig, aged 55 years, committed suicide in a most peculiar manner this morning. She placed a washbub under a faucet, put her head in the tub, and then turned on the water, holding her head therein until she was suffocated and drowned. For some time past the woman has shown signs of insanity.

SULLIVAN CONVICTED OF PRIZE-FIGHTING.

PURVIS, Miss., Aug. 17.—The jury, at 5 p. m., returned a verdict finding Sullivan guilty of prize-fighting. A motion in arrest of judgment was made and will be heard to-day.

BISMARCK IS THE CAPITAL.

The North Dakota Convention So Votes—Great Rejoicing There.

BISMARCK, Dak., Aug. 17.—The agony is over. Bismarck is the capital of North Dakota in the constitution and the other public institutions are located as previously published. This decision was reached after a long and heated debate, by a vote of 45 to 28. Bismarck is jubilant and congratulatory telegrams are already beginning to pour in from all parts of the country. The convention completed consideration of the article on the declaration of trusts unlawful, and declaring void franchises whose owners violate the section. After a heated debate over the article on revenue and taxation, the gross-earnings clause was defeated by a vote of 36 to 35. The article as adopted provides that all property shall be taxed alike, the provision that railroad roadbeds and rolling stock shall be taxed at not less than \$3,000 a mile being stricken out. A section providing that all flowing streams and natural waterways shall forever remain the property of the State for irrigation, mining, or other purposes was adopted by a unanimous vote.

DELEGATE PARSONS OF MORTON MADE ANOTHER AND THIS TIME A SUCCESSFUL ATTEMPT TO INCORPORATE AN ANTI-BLACKIST SECTION IN THE CONSTITUTION.

Delegate Parsons of Morton made another and this time a successful attempt to incorporate an anti-blackist section in the constitution. Delegate Williams of Burlington declared that he was a member of the Legislature who accepts a railroad pass under any condition shall forfeit his office, and it was adopted. The section providing that the property of the wife acquired before or after marriage can not be taken for the debts of the husband was adopted. The board of equalization has completed its labors. The levy made is 3 mills and the grand total of assessed valuation is \$164,199,876.90, an increase of \$100,000 over last year.

HEAVY MORTGAGE, AUG. 17.—THE CONVENTION COMPLETED THE CONSTITUTION TO-DAY AND ADJOURNED TO ALLOW THE REVISION COMMITTEE TO FINISH ITS WORK.

CHICAGO, W. T., Aug. 17.—The convention has agreed to submit a proposition for woman suffrage to the people with the constitution.

AFFAIRS ACROSS THE SEA.

MRS. MAYBRICK'S CHANCES FOR
LIFE INCREASING.

A Conference Held to Have Resulted in
Her Favor—A Manifesto from
Gen. Boulanger.

LONDON, Aug. 17.—Secretary Matthews,
Justice Stephen, the lord chancellor, and
medical experts held a conference to-day
at the home office with a view to arriving
at a decision in the Maybrick case. The
conference lasted four hours. The secre-
tary and the experts assented to the view
that Maybrick was not guilty, and, acting upon
this assumption, sifted every scrap of tes-
timony given, especially that in relation to
her husband's crime for assurance, which is
of great weight, and will, it is believed,
turn the scale in the prisoner's favor. It
is a noteworthy fact that the lord chan-
cellor is seldom consulted in such cases ex-
cept when a reprieve is meditated.

The Press association states that the
home secretary will recommend to the
Queen the commutation of the death sen-
tence in the case of Maybrick, who is con-
sidered for life and that the commutation of
sentence will be announced after the Queen
has given formal assent. Eighty-eight
members of the House of Commons have
signed the memorial in behalf of Mrs. May-
brick.

Gen. Boulanger Returns on His Feet.

LONDON, Aug. 17.—A manifesto signed
by Gen. Boulanger, Count Dillon, and
Henri Rochefort is published. It calls the
action of the Senate court an arbitrary
rule, calumny, and mendacity, and
declares that in spite of fresh coup
d'etat's preparing in the dark, the signers
have no intention of leaving the electorate
of France.

PARIS, Aug. 17.—La Nation says France
never intended making a demand for the
extradition of Gen. Boulanger.

The Troubles in Crete.

LONDON, Aug. 17.—A dispatch from
Crete says that the Turkish troops have
fortified their positions at Gavea in spite
of the opposition of the insurgents. Fifteen
hundred Turkish reinforcements have
arrived, and 6,000 are expected.

ST. PETERSBURG, Aug. 17.—The Journal
de St. Petersburg expresses gratification
at the appointment of Chakir Pasha as
Governor of Crete, and is sanguine that
his administration will be successful.

Provincial Recognition in Russia.

ST. PETERSBURG, Aug. 17.—A ukase
has been issued sanctioning provincial
recognitions under Count Tolstol's
scheme. The clause regarding the crea-
tion of district heads of administration,
to be appointed exclusively by the crown,
does not apply to Poland, the Baltic prov-
inces, and White and Red Russia.

OUTLOOK FOR CROPS.

Wheat in the Northwest Turning Out
Well—Hops a Good Yield.

MINNEAPOLIS, Minn., Aug. 17.—Tele-
grams from various points covering the
entire Northwest show a yield of wheat
much above expectations. Of the whole
not one reported a single unfavorable con-
dition. At Huron, D. T., where three
bushels to eight bushels was predicted the
threshing shows a yield of twelve bushels
to fourteen bushels, and in Grand Forks
county, where it was predicted that the
average of wheat would be 12 bushels,
and that is claimed for an average of the
county. Bismarck, Jamestown, and Fargo
in North Dakota also say the yield is above
expectations. The harvesting, threshing,
and thrashing is going forward in all
parts of the Northwest under the most
favorable weather and general conditions.

ST. LOUIS, Mo., Aug. 17.—It is es-
timated that though the hop crop of
Washington Territory has suffered slightly
from drought and blight the crop of '89 will
greatly exceed that of 1888. The area
planted this year is 33 per cent larger than
last year. This increased acreage will
produce in the aggregate a good crop.

The hop crop in this year is 17 per cent
larger than in 1888. The crop in Wash-
ington valley is looking well and hops will
be of good quality in that section. The
Rage, Shoshone, and Snake river roads
have largely increased their warehouses in
anticipation of a heavy yield.

John Brown as a Wheat Grower.

SHREVEPORT, Ill., Aug. 17.—John
Brown of Ridge township, this county,
takes a lead in wheat production. On
six acres he reports a yield of 387 bushels
of good, machine measure, or a yield over
sixty-four bushels an acre. His claim is
substantiated by reliable witnesses.

BEN AND GROVER.

The President and Ex-President Reach
New York by the Same Line.

NEW YORK, Aug. 17.—The Fall River
steamerboat Pilgrim arrived here shortly
after 6 o'clock this morning, having
brought the President and Ex-President
Secretary Halford among the passengers.
Shortly after the arrival of the steamerboat
the President held an impromptu reception
on the deck and shook hands with the
passengers and others.

Afterward he was taken by a tug
across the river to the Pennsylvania rail-
road depot in New Jersey. Secretary
Halford said the President was in a very
pleasant trip and felt much rested. As the
tug left the dock the President lifted his
hat in acknowledgment of the cheers from
the crowds.

The Washington train left Jersey City
at 8:15 o'clock, the President occupying
President Roberts' private car.

Ex-President and Mrs. Cleveland
arrived here this morning on the steam-
boat Providence of the Fall River line,
and were driven immediately to the Victo-
ria hotel. Both looked in excellent
health.

"Old Black Joe" Is Dead.

NEW YORK, Aug. 17.—The original
"old black Joe" died. Mount Holly, N. J.,
yesterday, in a little over 127 years of
the town. His name was Joseph
Queen, and he was undoubtedly the oldest
man in the State, being 113 years of age.
He was born in a little town in New Jersey
fact is record in faded characters in an
old family Bible. "Old Joe" was a runaway
slave, and came to New Jersey in 1827.
He was taken care of by some of the
residents of Mount Holly for many years.
The townspeople have ministered to his
wants and kept him in comparative
comfort. He was very patriarchal in ap-
pearance, and his form was bent nearly
double with the weight of years. A
monument will be erected to his memory.

A \$10,000 Station Dead.

NEW YORK, Aug. 17.—The station
barn, by Belmont, out of the dam of
Manhattan, and full brother to Nutwood,
died at Mr. Bonner's farm in the vicinity
of Hudson on Tuesday last of rupture of the in-
testines. Nutwood was 12 years old and
was valued at \$10,000. He was never
regularly trained but he was a quarter
of a mile in 35 seconds. Mr. Bonner
has several very fast stallions by him out
of highly bred mares.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind.,
testifies: "I can recommend Electric
Bitters as the very best remedy. Every
bottle sold has given relief in every case.
I have tried many others, and was cured
of rheumatism of ten years' standing."
Abraham Hare, druggist, Belleville, Ohio,
affirms: "The best selling medicine I
ever saw in my twenty years' experience
is Electric Bitters. In thousands of cases
they have added their testi-
mony, so that the verdict is unanimous
that Electric Bitters do cure all diseases
of the Liver, Kidneys or Blood. Only a
half dollar a bottle at F. Sherer & Co's
drugstore."

May Fever.

I have been a periodical sufferer from
fever since the summer of 1879, and un-
til I used Ely's Cream Balm was never
able to find relief. I can truthfully say
that Cream Balm cured me. I regard it
as of great value and would not be with-
out it during the next season—L. M.
George, Binghamton, N. Y.

I can cheerfully recommend Ely's
Cream Balm to the suffering public for
hay fever and stoppage of the nasal pas-
sage. It is guaranteed to give prompt
relief. J. E. Rector, Little
Rock, Ark.

THE STATE OF TRADE.

Reports of the Leading Cities of the
Country to Trade Agents.

NEW YORK, Aug. 17.—Bradstreet's
State of Trade says: Special telegrams
record a visible improvement in the dis-
tribution of staples at the majority of cities
reporting. At almost all points it is noted
that the outlook for fall trade is very good.
While weather conditions in the West and
Northwest remain very favorable, in Louisi-
ana and Texas too much rain has damaged
the crops, particularly cotton, and ren-
dered interior roads so heavy as to materi-
ally check trading. Mercantile collections
west and north are generally more favor-
able. Stock speculation is governed by
expectations of a boom on the crop move-
ment. The depression in the sugar market
noted for three weeks past still continues.
Transactions in coffee, both domestic and
speculative, have been heavier than
last week, with a gain of 15 points on the
former and about 50 on the latter. The
government crop report not being quite so
favorable for wheat as expected tended to
stiffen prices when backed by firmer
foreign cables. Restricted export takings
and reduced buying interest led to quot-
ations down again. Futures are about
2 cent on the week. Corn has been
variable on heavy cables and improv-
ing speculative demand, but closes
about 1 cent up. Soy beans are about
1 cent higher, but white oats are
lower. Exports of wheat and flour as
wheat equal 1,914,000 bushels this week,
against 2,050,000 bushels last week, and
2,550,000 bushels a year ago. Total for-
eign shipments from July 1 to date equal
11,450,000 bushels, against 13,653,580

—The actual loss to the upper cotton mill by the recent fire was \$1,900. The only loss by fire, was that of the mule, which amounted to about \$500. The remainder of the loss was done to machinery and the building by water. Considerable machinery in the mill is running to-day and by Monday all the departments will be ready for operation. The delay and loss by the fire is exceedingly small to what was supposed on the evening of the disaster. It is said by one of the officers of the mill, that water was thrown on the fire within ten seconds after it started.
